MANDATORY CAR STORY BOARD:

This Historic Festival is one of the six official Auto Club Speedway spectator events for which all the season ticket holders are invited. The Auto Club Speedway is actively promoting this event and it is important to inform the spectators about the history of our cars. The Speedway is requesting that we all post a "car story board" next to our cars in the paddock. This is mandatory for all cars entered in the event. Upon receiving your entry, we will mail you details about the format of this board. To make it more fun, we will have a contest for the best looking car story board and awards will be given out at the party.

We know that you have choices where to race, but we hope you will join us for this premier event!
