

Auto Club Speedway INFIELD RV Information & Rules - INDYCAR

Auto Club Speedway reserves the right to revoke all rights and privileges associated with vehicle passes or infield wristband purchases. Violators of camping rules will be removed from the facility. Vehicles may be removed at owner's expense. Renewal privileges may be revoked. If privileges are revoked, there will be no refunds or exchanges.

ALL INFIELD RV GUESTS ENTER THROUGH GATE 3

- To facilitate efficient load in, RVs may be allowed in the infield out of line-up order.
- An Infield wristband is required for everyone over 12 years of age camping in the infield.
- RV Infield pass will allow the holder to park ONE self contained vehicle in the designated area. Placard must be attached to window prior to entry.
- The reproduction of RV placards and/or admission tickets and wristbands is grounds for immediate revocation and possible prosecution.
- It is the site holder's responsibility to inform guests of Auto Club Speedway policies.

YOUR RV SITE IS 15' X 40'. PLEASE PARK IN YOUR DESIGNATED SITE ONLY.

Rules & Regulations

- Tow vehicles will not be permitted to stay in the infield and must park in Green Lot 6 ONLY. Vehicles parked
 overnight in any other lot during race weekends will be towed at owner's expense.
- Keep fire lanes open at all times.
- No open campfires or barrel fires. Only State Fire Marshal approved BBQ and camping stove fires will be permitted that are used in accordance with manufacturer guidelines. Do not dump hot ashes on the ground or pavement
- No fireworks of any kind are permitted in the infield.
- No paper party lanterns
- No stakes can be driven into the asphalt.
- Any individual causing damage to the infield road course will be cited, resulting in revocation of infield privileges.
- 6 in. x 6 in. wooden blocks must be placed under all jacks.
- Coolers and alcohol will be allowed in the Camping areas only. These items are not permitted in the Grandstands. Entrance only at Gate 18.
- Glass containers are prohibited.

- Throwing/Spraying of ANY liquid or object at any moving vehicle is grounds for immediate removal. Spraying
 of any Auto Club Speedway Staff/Official/Security/Law Enforcement is prohibited. Security personnel will be
 looking for prohibited items like 50 gallon drums of water at load in.
- Quiet Time will be enforced between midnight and 6:00 a.m. No generators, loud noise, external speakers or parties will be permitted during Quiet Time hours.
- Offensive signs, drunkenness, profanity and inappropriate behavior of any kind will not be tolerated.
- Proper ventilation is required in all RVs, campers and tents. (See Carbon Monoxide Information below)
- No structures, canopies, scaffolds, platforms or umbrellas are allowed on top of RVs. If something is
 determined to be blocking the view of Grandstand guests, the Speedway reserves the right to remove the item
 obstructing the view.
- Exiting the Infield at Gate 50/54 will begin approximately two (2) hours after Saturday's final race activities are completed.
- Dumping or leaching of waste from RVs will not be tolerated.

Management does not guard or assume any responsibility for your vehicle or its contents. **Please lock your vehicle at all times.**

<u>Motorized Vehicles</u> - No golf carts, motorcycles, personal motorized cycles (of any kind), semi-trucks, off-road vehicles, ATVs, rental trucks are permitted. Due to insurance regulation the use of personal golf carts and other such motorized vehicles on Auto Club Speedway property is prohibited. All unauthorized vehicles will be confiscated and impounded until the end of activities on Sunday.

Overnight Parking - Vehicles must park in Green Lot 6. OVERNIGHT PARKING IS NOT PERMITTED IN LOTS 1, 2, 3, 4, 5, and 7. Violators will be towed at owner's expense. We will begin towing cars at 12:01 a.m. every evening starting Thursday night/Friday morning of INDYCAR weekend. If your vehicle is towed you may call Excel Towing at 909-944-5662, or the San Bernardino County Sheriff at 909-988-6571. Auto Club Speedway will not be responsible for towing fees for removal of vehicles left overnight.

<u>Bicycles</u> - Bicycles are permitted in the infield during load-in (check schedules for gate opening times). Once a bicycle exits the infield they cannot re-enter. Bicycles could be confiscated and impounded until the end of activities on Saturday.

Carbon Monoxide Warning & Safety Information

Auto Club Speedway and the ISC Safety Division would like to remind our guests that with the potential change of weather over any race weekend, there may be an increased use of portable camping heaters, air conditioners, lanterns, or stoves inside tents, campers, and vehicles. **CAUTION: Carbon monoxide poisoning from the use of these devices in an enclosed area is a leading cause of injuries and deaths each year.**

Generators must be ventilated properly with exhaust systems that point upward. If you come to the Speedway without proper generator ventilation, you will be required to purchase and install it, or be asked to leave the property.

Follow these guidelines to prevent this colorless, odorless gas from poisoning you and your family:

 Do not use air conditioners, portable heaters or lanterns while sleeping in enclosed areas such as tents, campers, and other vehicles. This is especially important at high altitudes, where the risk of carbon monoxide poisoning is increased.

- Know the symptoms of carbon monoxide poisoning: headache, dizziness, weakness, nausea, vomiting, sleepiness, and confusion. Carbon monoxide reduces the blood's ability to carry oxygen. Low blood oxygen levels can result in loss of consciousness and death.
- Seek medical attention if you or a member of your family develops cold or flu-like symptoms while camping.
 Carbon monoxide poisoning, which can easily be mistaken for a cold or flu, is often detected too late.
- Alcohol consumption and drug use increase the effects of carbon monoxide poisoning.
- Carbon monoxide is especially toxic to a mother and child during pregnancy, infants, the elderly, smokers, and people with blood or circulatory system problems, such as anemia, or heart disease.
- The camping equipment industry is working to limit the amount of carbon monoxide produced by air conditioners, portable heaters, lanterns, and stoves. Labels warning campers about carbon monoxide poisoning are being developed for these products. Please contact your retailer for further details.
- Please divert exhaust from your generator up into the air so carbon monoxide fumes do not go into you or your neighbors RV or campsite.

<u>Flagpoles</u> - For your own safety and that of other fans around you, metal flagpoles are not permitted to be erected on Speedway property. Please note the track rules are as follows:

- Only non-metallic flagpoles are permitted
- Permitted: Fiberglass, PVC, vinyl
- Not Permitted: Steel, aluminum, other metal
- The top of a flagpole may not exceed maximum height of 15ft. from ground surface. Flagpoles or other similar objects are NOT permitted within 20ft of an overhead electrical line.

<u>RV Parking</u> - County fire marshals prohibit us from allowing closed loops of RV's. U shaped set-ups are acceptable, but anything that is O shaped is not. If you set up your camp site with an O shaped configuration you will be asked break down and set up correctly. If several space holders wish to park in such a way as to form a common area in the middle of their spaces they must be sure to leave a clear opening at least 20' wide facing the closest roadway for emergency access into the area.

<u>Wristbands</u> – For infield entry, guests over the age of 12 must have a wristband. Wristbands will be available for purchase at the gate. Wristbands are \$65 for the weekend. Multiple wristbands will not be sold to an individual; guest must be present at time of purchase

<u>Reselling of sites</u> - It is Auto Club Speedway's policy to **cancel all renewal privileges of any purchaser of a ticket found to have been resold or listed for resale**. The initial purchaser is responsible if tickets are resold. If you sell your site for a profit, you will lose it. Should you be unable to use your site for any reason, please contact our ticket office and we will assist you in recouping the face value of your space.

Auto Club Speedway reserves the right to amend these rules at any time. Auto Club Speedway is under 24 hour video surveillance. For additional information visit www.autoclubspeedway.com

We have increased the number of roving security and law enforcement personnel in the infield. Our overnight command post is available for any overnight emergencies and can be reached by calling (909) 429-5764 or 911.
